Requirements to for Assyrian Online school

Mar Shaleeta's online Assyrian language school will start on Tuesday September 7th, right after Labor Day holiday.

Course objective:

Beginners: Students will learn the Assyrian Alphabet, Vowels, Reading and writing skills as well.

Advanced: Students will learn advanced skills in reading, writing, and introduction to some grammar as well.

We will hold an online orientation a week prior, to go over some guidelines and requirements to arrange the time for each class. We will email a zoom link to all registered students.

To participate, the following will be required of each student.

- **A)** Must have internet access since the instruction will be conducted online thru ZOOM.
- **B)** For children, must have prior interface with computer and some knowledge of using ZOOM, unless they are supervised by adults.
- **C)** All students must have PDF reader software or equivalent utility that can read PDF files, it can be downloaded from Adobe's official Website.
- **D)** Each student must have access to printer, color is preferable, since the material will be soft copy PDF format, and students will be required to print the assignment, to complete their homework.
- **E)** It's preferable for the child to have completed the first grade in an elementary school unless they are supervised by adults.
- **F)** Class time for Children and adults will be between 30-45 minutes. Possibly twice a week. It's to be arranged.

We look forward to having fun by teaching our native Assyrian language to all those who are interested in learning. It's a great opportunity and don't let it go by.

Please send your request via email to marshaleetachurch@gmail.com

You email subject to be, Assyrian School enrolment.

If the enrollment is for a child, kindly provide us with child's age only.
